

Metro Louisville Police Headquarters Lobby

Louisville, Kentucky

Completion: 2005

Owner: Metro Louisville

Role: Complete Architectural Services

The majority of this restoration of the Metro Louisville Police Headquarters Lobby was the addition of bullet resistant security system to protect the staff. The Information Desk was modernized with new work stations and security system components. This Homeland Security project is designed to fit in with an earlier renovation to the same building designed by Jill Smith in 1992.
