

Metro Louisville City Hall

Louisville, Kentucky

Completion: 1994-1998

Owner: Metro Louisville

Role: Complete Architectural Services

While employed as the City Architect for Metro Louisville Government, Jill Smith managed and designed numerous projects to restore, renovate, and preserve the historic buildings of Louisville City Hall and the City Hall Annex. These projects included both historic restoration and adaptive reuse of spaces in the 1873 building, incorporating current technologies with the traditional details that make the building significant.
